23 “(A) ALLOCATION OF INCREASED QUOTA  
24 GENERALLY.—If the national poundage quota  
25 for any of the 1997 through 2001 marketing

“(B) DECREASE.—If the national poundage quota for any of the 1997 through 2001 marketing years is decreased from the national poundage quota for the immediately preceding marketing year, the decrease shall be allocated, proportionately, among persons who possess a quota if the persons produced peanuts in at least 2 of the 3 immediately preceding marketing years, as determined by the Secretary.

“(3) QUOTA NOT PRODUCED.—

“(A) IN GENERAL.—Insofar as practicable and on such fair and equitable basis as the Secretary may by regulation prescribe, the poundage quota established for a person for any of the 1997 through 2001 marketing years shall be reduced to the extent that the Secretary determines that the poundage quota established for the person for any 2 of the 3 marketing

1 years preceding the marketing year for which  
2 the determination is being made was not pro-  
3 duced, or considered produced.

4 “(B) EXCLUSIONS.—For the purposes of  
5 this paragraph, the poundage quota for any  
6 such preceding marketing year shall not in-

12 1 year under paragraph (6).

18 disaster, or any other condition beyond the con-  
19 trol of the person, as determined by the Sec-  
20 retary; or

21 “(B) the poundage quota for the person  
22 was released voluntarily under paragraph (6)

25 termination is being made.

1 “(5) QUOTA PERMANENTLY RELEASED.—

2 “(A) IN GENERAL.—The poundage quota

4 quota, may be permanently released.

5 “(B) ADJUSTMENT OF QUOTA.—The  
6 poundage quota for the person for which the  
7 quota is released shall be adjusted downward to  
8 reflect the quota that is released.

9 “(C) UNUSED QUOTA.—Any quota not  
10 produced, considered produced, or not leased or  
11 sold shall be considered permanently released.

12 “(6) QUOTA TEMPORARILY RELEASED.—

13 “(A) IN GENERAL.—The poundage quota,  
14 or any portion of the quota, established for a  
15 person for a marketing year may be voluntarily  
16 released to the Secretary to the extent that the  
17 quota, or any part of the quota, will not be pro-  
18 duced by the person for the marketing year.  
19 Any poundage quota so released shall be allo-  
20 cated to other persons on such basis as the Sec-  
21 retary may by regulation prescribe.

22 “(B) EFFECTIVE PERIOD.—Except as oth-  
23 erwise provided in this section, any adjustment  
24 in the poundage quota for a person under sub-  
25 paragraph (A) shall be effective only for the

1 marketing year for which the adjustment is  
2 made and shall not be taken into consideration  
3 in establishing a poundage quota for the person  
4 from which the quota was released for any sub-  
5 sequent marketing year.

6 “(7) RELEASED QUOTA.—Any poundage quota  
7 permanently released may not be reallocated in the  
8 subsequent marketing year.

9 “(c) REFERENDUM RESPECTING POUNDAGE  
10 QUOTAS.—

11 “(1) IN GENERAL.—Not later than December  
12 15, 1997, the Secretary shall conduct a referendum  
13 of all producers engaged in the production of pea-  
14 nuts to determine whether the producers are in favor  
15 of or opposed to poundage quotas with respect to the  
16 crops of peanuts produced in the remaining market-  
17 ing years authorized by this part, except that, if as  
18 many as  $\frac{2}{3}$  of the producers voting in any referen-  
19 dum vote in favor of poundage quotas, no referen-  
20 dum shall be held with respect to quotas for the re-  
21 maining marketing years authorized by this part.  
22 Each producer voting in the referendum may cast 1  
23 vote.

1           “(2) PROCLAMATION.—The Secretary shall pro-  
 2       claim the result of the referendum within 30 days  
 3       after the date on which the referendum is held.

4           “(3) VOTE AGAINST QUOTAS.—If more than  $\frac{1}{3}$   
 5       of the producers voting in the referendum vote  
 6       against quotas, the Secretary shall proclaim that  
 7       poundage quotas will not be in effect for the remain-  
 8       ing marketing years authorized by this part.

9       **“SEC. 358A. SALE, LEASE, OR TRANSFER OF POUNDAGE**

12       “(a) IN GENERAL.—Subject to such terms and condi-  
 13       tions as the Secretary may prescribe, a person for which  
 14       a poundage quota has been established under this Act may  
 15       sell, lease, or transfer all or any part of the poundage  
 16       quota to any other owner, operator, or producer of peanuts  
 17       without geographic limitation. Sales, leases, or transfers  
 18       shall be allowed so as to rationalize production for owners,  
 19       operators, or producers in areas or regions that may be  
 20       the most efficient and productive.

21       “(b) TREATMENT OF LESSORS.—For purposes of  
 22       this part, a lessor who is a person who leases all or any  
 23       part of a poundage quota for a marketing year shall be  
 24       considered to have produced or marketed the quota for  
 25       that marketing year.

1       “(c) LIMITS.—A sale, lease, or transfer of poundage  
2 quotas under this section shall be subject to the following  
3 conditions:

4           “(1) LIENHOLDERS.—No transfer of the  
5 poundage quota from a farm subject to a mortgage  
6 or other lien is effective unless the transfer is agreed  
7 to by the lienholders.

8           “(2) RECORD.—No transfer of the poundage  
9 quota shall be effective until the Secretary and all  
10 lienholders are given notice of the transfer, as deter-  
11 mined by the Secretary.

12          “(3) LIMITATION.—The Secretary may not es-  
13 tablish a limitation on the quantity or geographical  
14 location of poundage quota that may be transferred.

15          “(4) OTHER TERMS.—The Secretary may es-  
16 tablish by regulation other terms and conditions.

17 **“SEC. 358B. MARKETING PENALTIES AND DISPOSITION OF**  
18 **ADDITIONAL PEANUTS FOR 1997 THROUGH**  
19 **2001 CROPS OF PEANUTS.**

20       “(a) MARKETING PENALTIES.—

21           “(1) IN GENERAL.—

22           “(A) MARKETING PEANUTS IN EXCESS OF  
23 QUOTA.—The marketing of any peanuts for do-  
24 mestic edible use in excess of the poundage  
25 quota for a person shall be subject to a penalty

1 at a rate equal to 140 percent of the support  
 2 price for quota peanuts for the marketing year  
 3 in which the marketing occurs. The penalty  
 4 shall not apply to the marketing of breeder or  
 5 Foundation seed peanuts grown and marketed  
 6 by a publicly owned agricultural experiment sta-  
 7 tion (including a State operated seed organiza-  
 8 tion), nor to additional peanuts marketed under  
 9 contracts between handlers and producers  
 10 under subsection (e).

11 “(B) MARKETING ADDITIONAL PEA-  
 12 NUTS.—The marketing of any additional pea-  
 13 nuts shall be subject to the same penalty as the  
 14 penalty prescribed in subparagraph (A) unless  
 15 the peanuts, in accordance with regulations es-  
 16 tablished by the Secretary, are—

17 “(i) placed under loan at the addi-  
 18 tional loan rate in effect for the peanuts  
 19 under section 155 of the Agricultural Mar-  
 20 ket Transition Act (7 U.S.C. 7271) and  
 21 not redeemed by the producers;

22 “(ii) marketed or used for seed in ac-  
 23 cordance with regulations issued by the  
 24 Secretary, and under the supervision of  
 25 agents designated by the Secretary; or

1                   “(iii) marketed under contracts be-  
2                   tween handlers and producers pursuant to  
3                   subsection (e).

4                   “(2) PAYER.—The penalty shall be paid by the  
5                   person who buys or otherwise acquires the peanuts  
6                   from the producer or, if the peanuts are marketed  
7                   by the producer through an agent, the penalty shall  
8                   be paid by the agent. The person or agent may de-  
9                   duct an amount equivalent to the penalty from the  
10                  price paid to the producer.

11                  “(3) FAILURE TO COLLECT.—If the person re-  
12                  quired to collect the penalty fails to collect the pen-  
13                  alty, the person and all persons entitled to share in  
14                  the peanuts marketed from the farm or the proceeds  
15                  of the marketing shall be jointly and severally liable  
16                  with the person who failed to collect the penalty for  
17                  the amount of the penalty.

18                  “(4) APPLICATION OF QUOTA.—Peanuts pro-  
19                  duced in a calendar year in which poundage quotas  
20                  are in effect for the marketing year beginning in the  
21                  calendar year shall be subject to the quotas even  
22                  though the peanuts are marketed prior to the date  
23                  on which the marketing year begins.

24                  “(5) FALSE INFORMATION.—If any producer  
25                  falsely identifies, fails to accurately certify planted

1        acres, or fails to account for the disposition of any  
2        peanuts produced on the planted acres, a quantity of  
3        peanuts equal to the greater of the average or actual  
4        yield of the farm, as determined by the Secretary,  
5        multiplied by the number of planted acres, shall be  
6        deemed to have been marketed in violation of per-  
7        missible uses of quota and additional peanuts. Any  
8        penalty payable under this paragraph shall be paid  
9        and remitted by the producer.

10        “(6) UNINTENTIONAL VIOLATIONS.—The Sec-  
11        retary shall authorize, under such regulations as the  
12        Secretary shall issue, the county committees estab-  
13        lished under section 8(b) of the Soil Conservation  
14        and Domestic Allotment Act (16 U.S.C. 590h(b)) to  
15        waive or reduce marketing penalties provided for  
16        under this subsection in cases which the committees  
17        determine that the violations that were the basis of  
18        the penalties were unintentional or without knowl-  
19        edge on the part of the parties concerned.

20        “(7) DE MINIMIS VIOLATIONS.—An error in  
21        weight that does not exceed  $\frac{1}{10}$  of 1 percent in the  
22        case of any 1 marketing document shall not be con-  
23        sidered to be a marketing violation except in a case  
24        of fraud or conspiracy.

25        “(b) USE OF QUOTA AND ADDITIONAL PEANUTS.—

1           “(1) QUOTA PEANUTS.—Quota peanuts may be  
2       retained for use on a farm. If the peanuts are used  
3       on the farm, the peanuts shall be considered mar-  
4       keted.

5           “(2) ADDITIONAL PEANUTS.—Additional pea-  
6       nuts may be sold for seed or used on a farm and  
7       may not be marketed for domestic edible use, except  
8       as provided in subsection (e) and section 155(a)(5)  
9       of the Agricultural Market Transition Act (7 U.S.C.  
10      7271(a)(5)). If the peanuts are used on the farm,  
11      the peanuts shall be considered marketed.

12          “(c) MARKETING PEANUTS WITH EXCESS QUAN-  
13      TITY, GRADE, OR QUALITY.—On a finding by the Sec-  
14      retary that the peanuts marketed from any crop for do-  
15      mestic edible use by a handler are larger in quantity or  
16      higher in grade or quality than the peanuts that could rea-  
17      sonably be produced from the quantity of peanuts having  
18      the grade, kernel content, and quality of the quota peanuts  
19      acquired by the handler from the crop for the marketing,  
20      the handler shall be subject to a penalty equal to 140 per-  
21      cent of the loan level for quota peanuts on the quantity  
22      of peanuts that the Secretary determines are in excess of  
23      the quantity, grade, or quality of the peanuts that could  
24      reasonably have been produced from the peanuts so ac-  
25      quired.

1       “(d) HANDLING AND DISPOSAL OF ADDITIONAL  
2 PEANUTS.—

3               “(1) IN GENERAL.—A handler who provides  
4 adequate assurances to the Secretary under para-  
5 graph (3) shall be eligible to handle, process, and ex-  
6 port additional peanuts.

7               “(2) SUPERVISION BY HANDLERS.—

8                       “(A) IN GENERAL.—Supervision of the  
9 handling and disposal of additional peanuts by  
10 a handler shall not be required if the handler  
11 agrees in writing, prior to any handling or dis-  
12 posal of the peanuts, to comply with regulations  
13 that the Secretary shall issue.

14                      “(B) REGULATIONS.—The regulations is-  
15 sued by the Secretary shall include the follow-  
16 ing:

17                               “(i) TYPES OF EXPORTED OR  
18 CRUSHED PEANUTS.—Handlers of shelled  
19 or milled peanuts may export or crush—

20                                       “(I) sound split kernel additional  
21 peanuts purchased by the handler  
22 that are discounted due to the per-  
23 centage of sound splits per pound;

24                                       “(II) sound mature kernel addi-  
25 tional peanuts in an amount equal to

1 the poundage of the additional pea-  
 2 nuts purchased by the handler, less  
 3 the total poundage of sound split ker-  
 4 nel peanuts; and

5 “(III) the remaining quantity of  
 6 additional peanuts purchased by the  
 7 handler.

8 “(ii) DOCUMENTATION.—A handler  
 9 shall ensure that any additional peanuts  
 10 exported or crushed are evidenced by on-  
 11 board bills of lading or other appropriate  
 12 documentation as may be required by the  
 13 Secretary.

14 “(iii) LOSS OF PEANUTS.—If a han-  
 15 dler suffers a loss of peanuts as a result of  
 16 fire, flood, or any other condition beyond  
 17 the control of the handler, the portion of  
 18 the loss allocated to contracted additional  
 19 peanuts shall not be greater than the por-  
 20 tion of the total peanut purchases of the  
 21 handler for the year for export or crushing.

22 “(iv) SHRINKAGE ALLOWANCE.—

23 “(I) IN GENERAL.—The obliga-  
 24 tion of a handler to export or crush  
 25 peanuts in quantities described in this

1 subparagraph shall be reduced by a  
2 shrinkage allowance, to be determined  
3 by the Secretary, to reflect actual dol-  
4 lar value shrinkage experienced by  
5 handlers in commercial operations, ex-  
6 cept that the allowance shall not be  
7 less than 4 percent.

8 “(II) COMMON INDUSTRY PRAC-  
9 TICES.—The Secretary may provide a  
10 lower shrinkage allowance for a han-  
11 dler who fails to comply with shrink-  
12 age criteria specified by the Secretary,  
13 taking into account common industry  
14 practice.

15 “(3) ADEQUATE FINANCES AND FACILITIES.—A  
16 handler shall submit to the Secretary adequate as-  
17 surances that the handler is fiscally sound. The Sec-  
18 retary shall not require proof of capacity to process  
19 peanuts.

20 “(4) COMMINGLING OF LIKE PEANUTS.—Quota  
21 and additional peanuts of like type and segregation  
22 or quality may, under regulations issued by the Sec-  
23 retary, be commingled and exchanged on a dollar  
24 value basis to facilitate warehousing, handling, and  
25 marketing.

16          “(3) SUPPORT RATES.—The national average

1           “(5) MARKETING OF PEANUTS OWNED OR CON-  
 2           TROLLED BY THE COMMODITY CREDIT CORPORA-  
 3           TION.—Any peanuts owned or controlled by the

 19          kets, except that the Secretary shall set the support rate  
 20          on additional peanuts at a level estimated by the Secretary

1           “(1) IN GENERAL.—The Secretary shall require  
2       a participating marketing association to establish  
3       pools and maintain complete and accurate records  
4       by area and segregation for quota peanuts handled  
5       under loan and for additional peanuts placed under  
6       loan, except that separate pools shall be established  
7       for Valencia peanuts produced in New Mexico.

 9 this subsection, the term ‘first purchaser’ means a  
 10 person acquiring peanuts from a producer, except  
 11 that in the case of peanuts forfeited by a producer  
 12 to the Commodity Credit Corporation, the term  
 13 means the person acquiring the peanuts from the  
 14 Commodity Credit Corporation.

15               “(2) ASSESSMENT.—The Secretary shall pro-  
 16 vide, by regulation, for a nonrefundable marketing  
 17 assessment applicable to each of the 1997 through

 19 made in accordance with this subsection and shall be  
 20 on a per pound basis in an amount equal to 1.2 per-  
 21 cent of the national average quota or additional pea-

 24 than 1.2 percent of the applicable support rate  
 25 under this subsection.

1           “(3) FIRST PURCHASERS.—Except as provided  
2           under paragraphs (4) and (5), the first purchaser of  
3           peanuts shall—

4                   “(A) collect from the producer a marketing

6                   quired multiplied by .65 percent of the applica-  
7                   ble national average support rate;

8                   “(B) pay, in addition to the amount col-  
9                   lected under subparagraph (A), a marketing as-  
10                  sessment in an amount equal to the quantity of  
11                  peanuts acquired multiplied by .55 percent of  
12                  the applicable national average support rate;  
13                  and

14                  “(C) remit the amounts required under  
15                  subparagraphs (A) and (B) to the Commodity  
16                  Credit Corporation in a manner specified by the  
17                  Secretary.

 4           from the proceeds of the loan. The remainder of the  
 5           assessment shall be paid by the first purchaser of  
 6           the peanuts. For the purposes of computing net  
 7           gains on peanuts under this section, the reduction  
 8           in loan proceeds shall be treated as having been paid  
 9           to the producer.

10           “(6) PENALTIES.—If any person fails to collect  
 11           or remit the reduction required by this subsection or  
 12           fails to comply with such requirements for record-  
 13           keeping or otherwise as are required by the Sec-  
 14           retary to carry out this subsection, the person shall  
 15           be liable to the Secretary for a civil penalty up to  
 16           an amount determined by multiplying—

17                   “(A) the quantity of peanuts involved in  
 18                   the violation; by

19                   “(B) the national average quota support  
 20                   rate for the applicable crop year.

21           “(7) ENFORCEMENT.—The Secretary may en-
